

CIAO!

#COLORAVIRUS è un passatempo dedicato a bambini e adulti per questo lungo periodo di permanenza a casa.

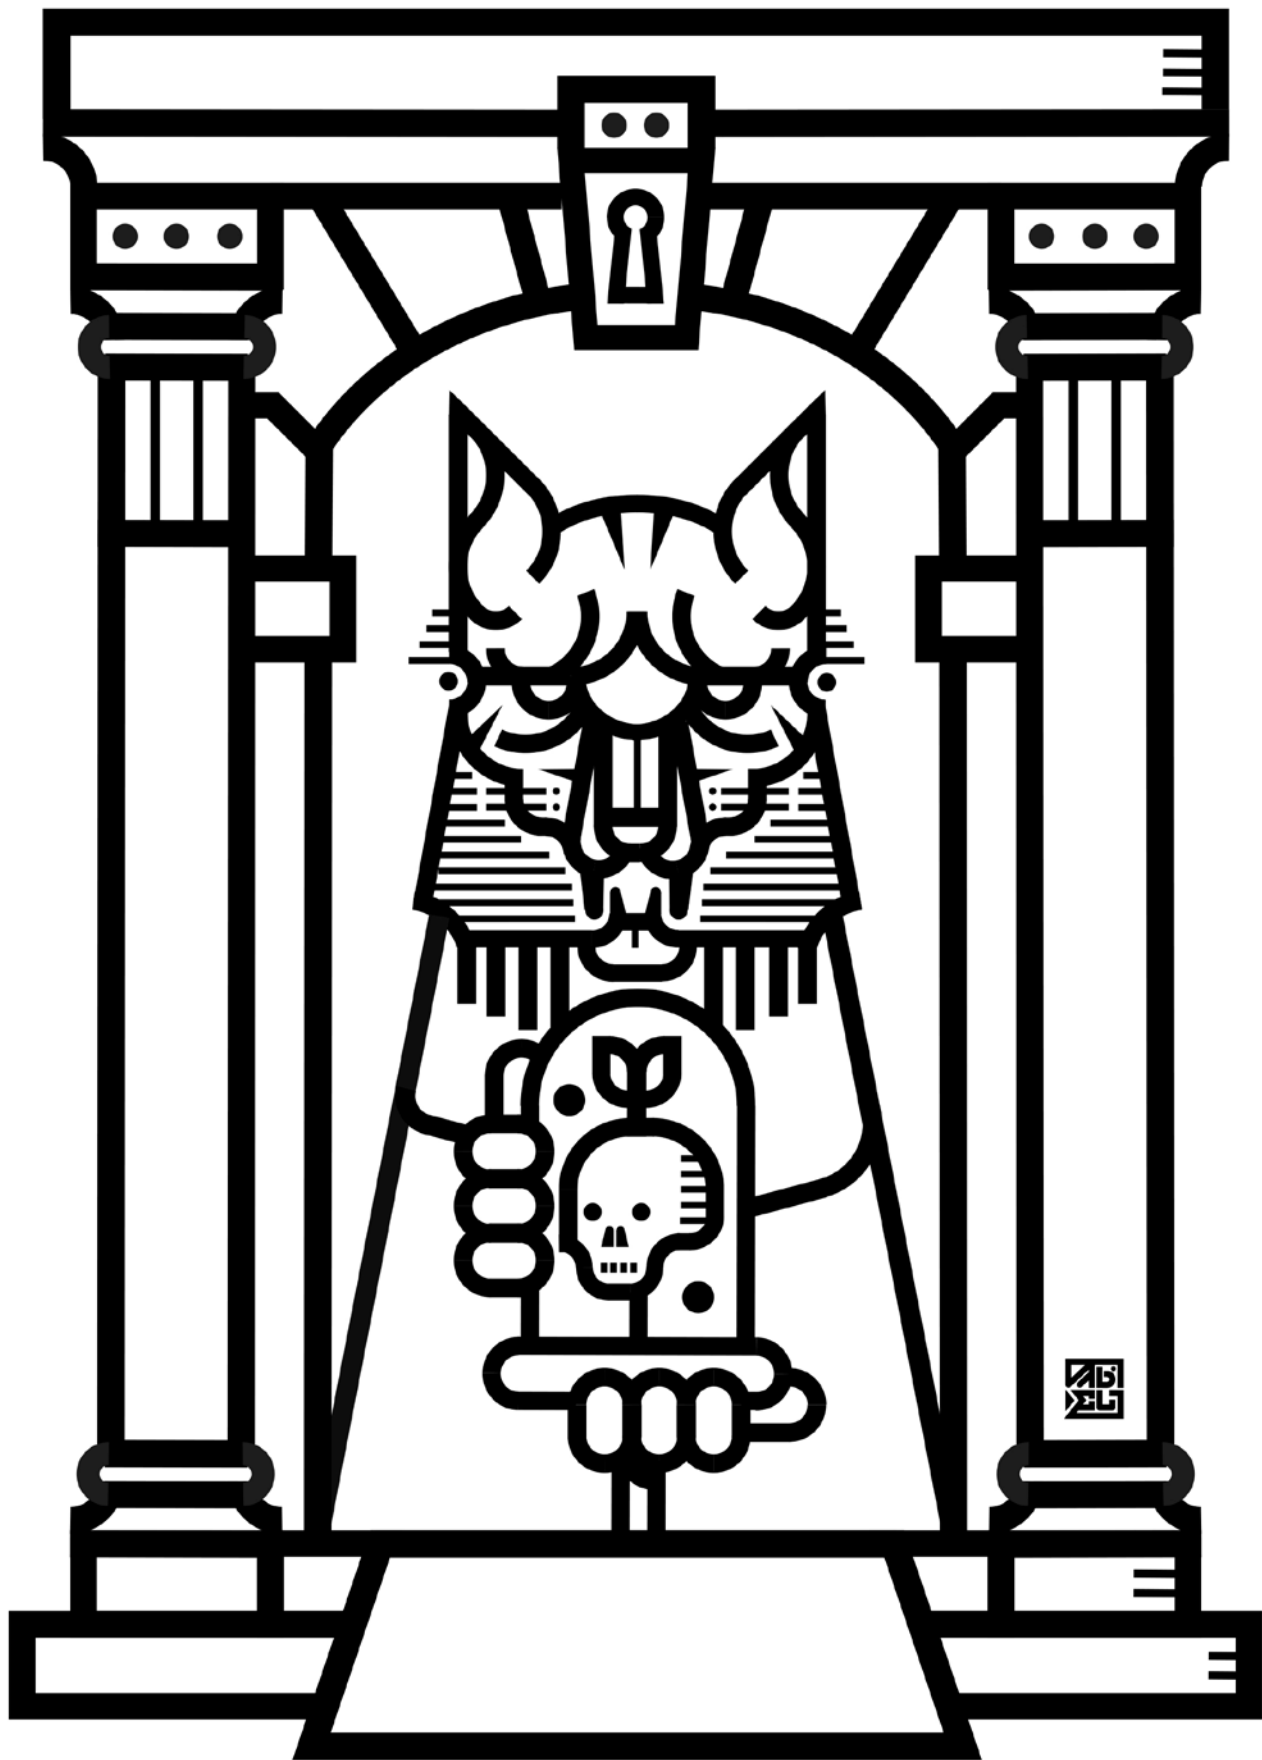

Sfoggia lo sketch-book degli artisti che hanno partecipato e scegli quelli che preferisci, stampali a casa tua e colorali insieme a chi vuoi tu con matite, pennarelli, biro, evidenziatori o qualsiasi altra tecnica trovi a portata di mano...

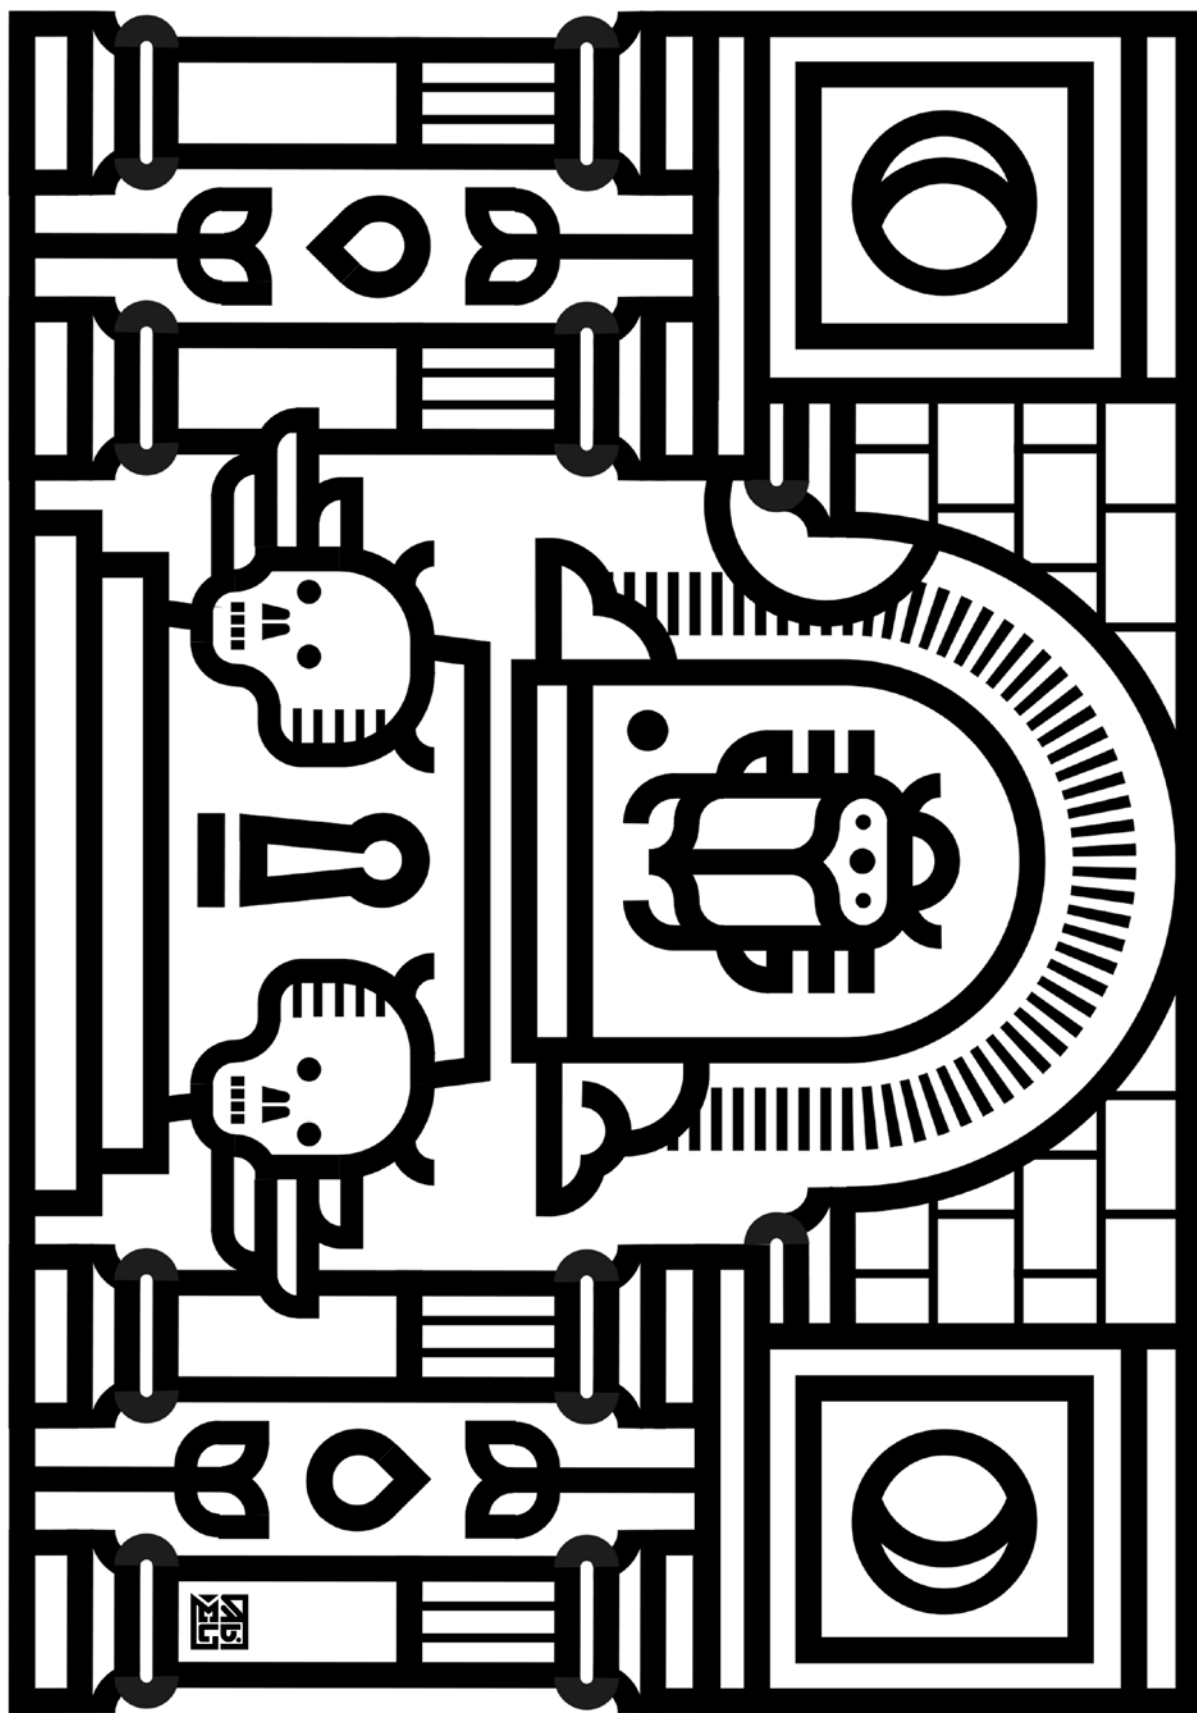

Se non hai la stampante a casa ti suggeriamo un piccolo trucco:

- appoggia un foglio bianco sullo schermo del tuo computer
 - aumenta la luminosità dello schermo al massimo
- con una matita ripassa leggermente le linee principali del disegno senza premere troppo per non rovinare il computer
 - ora sei pronto per colorare!

Ti chiediamo solo un piccolo gesto per ringraziare gli artisti che hanno regalato i loro disegni per questa iniziativa: Quando avrai ultimato la tua opera, fai una bella fotografia e pubblicala sui tuoi canali social avendo cura di utilizzare l'hashtag #COLORAVIRUS e di taggare l'autore dello sketch originale, trovi i suoi riferimenti e il suo nome nella parte alta del foglio.

#COLORAVIRUS è stato ideato in collaborazione tra

NESSUNO OSA ANNIARSI. LORO SONO INTOCCHABILI. NEANCHE IL TATTO. NOI CREDIAMO CHE GLI UMANI NON DEBBANO ESSERE SCHIAVI DELLE MACCHINE. NOI CREDIAMO CHE UMANI E MACCHINE DEBBANO ESSERE UNA COSA UNICA.
